Sir,

Ref:-G.O.Ms. 1690 P.H. dated 6-5-38.

In the G.O. read above the Government fixed the strength of the Public Health establishment of this Municipality. Provision was made for one school and slaughter house sweeper on a monthly pay of Rs.12/- vide G.O.No.646 Edn. & P.H. dated 10-3-37. Instead of engaging one combined sweeper on Rs.12/- the post was split up and the following were engaged instead in the interests of efficiency and as it was considered that one sweeper alone on a pay of Rs.12/- will not be able to cope up with the work:-

(i) Municipal High School sweeper on a pay of Rs. 5/-

(ii) Slaughter house sweeper on a pay of Rs.7/-

Another reason why the post was split up was that a thoty was required to clean the High School compound and the latrine. But the butchers at the slaughter house were not in favour of a thoty cleaning that house and wanted a caste hindu or a muslim.

As the combined pay of these two posts did not exceed Rs.12/- it was presumed that further orders from the Government were not necessary. But the auditors have now raised an objection. A copy of para 7 of the audit report on General Funds for 39-40 is herewith submitted. I request the Government to issue suitable orders permitting the alteration so as to enable me to get the objection dropped.

Strength of Public Health menial staff modified without the necessary action.

(X) 7. In G. O. No.Ms. 1690 P.H., dated the 6th May 1938, the strength of the Public health menial staff inclusive of cart-drivers was fixed. In that list, no provision was made for a cess pool cartmen. Nevertheless, one of the public health menial establishment was deputed to do that work and his pay was included in the public health menial establishment.

The sanction of Government is necessary for the alteration in staff. Not even the sanction of the Council was obtained for this arrangement.

Through,
The Chairman,

Sir,

Ref:- (1) G.O.No.Ms. 1690 Public Health dated 6-5-38
(2) This office C.No. 1595/40-C1 dated 21-10-40.

In this office C.No.1595/40-C1 dated 19-10-40 it was not explained clearly how the sanctioned strength of the Public Conservancy staff was altered by engaging one of them as the Cess-pool driver. I, therefore, beg to submit clearly in this letter the full facts on the subject.

In G.O.No.Ms.1690 Public Health dated 6-5-38 the strength of the Public Health staff of this Municipality was

P.T.O.

fixed and the following posts were found included in it.

(1) school and slaughter house sweeper .. 1

(2) sheep slaughter house cleaner. .. 1

No cess-pool cart man was sanctioned by the Government in the above order.

As the contents of the cess-pools from the slaughter houses have to be cleaned daily, the Municipality engaged a pair of bulls to its cess-pool cart by contract and entrusted the work of clearing the cess-pools of the slaughter houses to the school and slaughter house sweeper.

The District Inspector of Local Fund Accounts,Bellary in item No.30 of the objection statement(copy enclosed) for the first half of 1939-40 raised an objection as to who was the cartman for the cess-pool cart and in what vouchers he was paid. In answer to that objection it was stated that one of the conservening establishment was entrusted with the driving of the cess-pool cart and thus there was no separate driver. In audit report para 7 (copy enclosed) he has raised a further objection on the above item 30 of the Audit objection statement that the sanctioned strength of the Public Health establishment was changed by engaging one of the conservensy'staff as cess-pool cart driver without the sanction of the council and the Government.

I, therefore, now request the Government to accord its sanction for the alteration of the Public Health staff for entrusting the work of driving the cess-pool cart to the"school and Slaughter house sweeper".

Further the Municipal Health officer reports that the whole time cart-man is necessary as this work has been increased after the advent of the Public Health Act and that a singleman i.e.the "School and Slaughter house sweeper" cannot cope up with the work. The Council in its resolution No.763 dated 25-1-41 (copy enclosed) has also sanctioned a cess-pool cart-man.

I request the Government to sanction a separate

Copy of item No. 30 of the Objection Statement of the half year ending September 1939 of the Hospet Municipalitty,Hospet.

In proceedings No.23 dated 1-4-39 the contract Committee the tender of Madiga Mastanappa for the supply of three pairs of Buffaloes at Rs. 12/- per pair per month was accepted from 1-4-39. One pair of buffaloes for cess-pool cart and the remaining two were for Night Soil carts.

It is observed that in respect of Buffaloes for cess-
